Cable USB 3.0-A > micro-B male / male 1 m

Description

This high quality USB cable by Delock complies with the latest USB 3.0 standard and supports a higher data transfer rate of up to 5 Gb/s (Super Speed). It is designed for connection of USB 3.0 devices like external enclosure etc. The higher cable gauge for power and data line ensures a safe connection between your device and computer. Optically it convinces with its classy metal housing and gold-plated connector.
